

Data Protection Act declaration of Historical Research

I hereby declare that the information I collected from the Museum of Army Flying Collection will be used for general historical research only according to the Data Protection Act. This information will not be used to research or identify specific individuals without approval from the museum according to their regulations.

Information regarding specific individuals collected from the Museum of Army Flying Collection will be randomized before use.

I also declare that the collection of a specific individual's information is not the main purpose of my visit or research request.

Published materials are exempt from these regulations.
