

The **Army Flying Museum** at Middle Wallop which aims to be entertaining, engaging, and inspiring is in the throes of completing the capital element of a £2.5M refurbishment. The Museum is also looking for talented new Trustees to join their Board at an exciting time in its development.

As a member of the Board you will have the opportunity to make a real difference to people's lives by helping overall performance, development and monitoring of their strategic goals and supporting the team and volunteers in the delivery of their programme. Trustees will need to demonstrate enthusiasm for heritage, a collegiate working style and a strong commitment to the mission, vision and values of the Museum. We are particularly looking for experience in:

- Commercial
- Marketing
- Fundraising
- Community Relations

The roles are unremunerated. There are 6 board meetings a year and trustees would normally also join one of the committees, which meet on a similar frequency.
