

We are open as normal! We would like to reassure visitors that as a business we are following the latest UK Government advice in relation to Coronavirus (COVID-19) and maintaining high levels of health and hygiene. We have implemented the following strict policies in addition to our normal policies and high standards:

- Regular handwashing by staff members
- Regular Antibacterial cleaning of the till screens and the credit card terminals
- Hand washing and sanitizing after the handling of cash
- Regular Antibacterial cleaning of all door handles and surfaces that customers are likely to come into contact with including our touchscreen exhibits
- We have removed the menus from our Apache Cafe and replaced them with blackboard menus
- We have also removed some tables from our Apache Cafe so there is a greater distance between each of our tables to allow for "Social Distancing"

At the moment, we have no plans to cancel any of our events or lectures, but we will continue to monitor the situation and will make any necessary decisions in due course.
